

YOUR GUIDE

FIG A. *Skysten Freet, your premier fishing guide.*

Here at SKY'S GUIDE SERVICE, I strive to provide my clients with the best possible fishing experience each and every day. Sky's Guide Service offers world class Alaskan fly-in fishing opportunities for all five species of Pacific Salmon, including King Salmon, native Rainbow trout, Arctic Grayling, Dolly Varden, and Northern Pike.

From our remote wilderness location just south of Denali Nat'l Park, we cater to the enjoyment of our valued guests with a first class angling experience. Alaska is an immense land with huge wide open spaces and amazing wildlife that seems to be captured with every shot of the camera in jaw dropping vistas. Come join us today and experience some of the finest fishing Alaska has to offer.

THE LODGING

OUR LODGE is located at the mouth of the river with bank fishing opportunities only steps away. Each deluxe guest cabin comfortably sleeps four anglers. Amenities such as hot showers, telephone, electricity, and satellite TV make you forget you're miles away from civilization. Hearty home-cooked Alaskan meals are served in the main dining cabin which provides a comfortable setting to relax and swap stories after the day's fishing.
